Dry Cleaner if it goes wrong

For not showing due care.

## Remedial Action if damaged

None that will give satisfactory results, unless the beads are replaced which is not really an option.

Obviously we cannot say that other items of the same type will have the same problem, or that a different method of cleaning may have had a more satisfactory result, because this was not tested, but we advise caution and that you carry out your own test if you are going to clean this type of garment.
