Emporio Armani Ladies Jacket and Skirt— beware it says do not wet clean and it is reported customers are paying over £1,000 for this, therefore if you do not heed the care label and find that you have a problem then you will, by law, have to compensate the customer.

All items received with the circle W crossed out Do Not Wetclean because the manufacturer has tested the garment and found it to have had a problem when cleaned by this process.

This Emporio Armani orders gave the circle P underlined which means that it can be cleaned, with care, in the solvent Perchloroethylene (or any other F qualifying solvent). This suit had further information regarding solvents that can be used on an additional tag.

AMBER ALERT

“Obviously we cannot say that other items of the same type will have the same problem, or that a different method of cleaning may have had a more satisfactory result, because this was not tested, but we advise caution and that you carry out your own test if you are going to clean this type of garment.”
